### **Committee / Work Area Reports 03/17/2022 Annual Meeting**

#### ***President, Patrick Furumoto***

##### **TRANSITION**

On April 1st, I began my term as President, and if you ask me how it is going. I would say, I am excited about the direction of the Club, overwhelmed by everything I will need to learn about the workings of the Club, and very thankful for the support of the Board, Committees, and many others.

I will do my best to continue the positive direction of the Club. At the same time, I realize there are areas to be addressed, so I will be asking questions, seeking recommendations, and working with the Board, Committees, and others to make the necessary adjustments.

I plan on being on the courts to observe what's happening and to hear what's on your mind. I urge you to be a part in making the Club the best it can be for GVR and its members.

##### **COURT SCHEDULING AND USAGE SURVEY**

The Club is in the process of creating a Scheduling Workgroup, which will initially review and analyze the court survey data. They will assist in establishing court scheduling throughout the year, play formats, definitions of play, and other related topics.

##### **VOLUNTEER RECOGNITION & APPRECIATION**

Thanks to all of our Volunteers! At our April 2, 2022 Dink & Dine we recognized our club volunteers. SRAPPL had an opportunity for 2.5 women to attend State Championship in Casa Grande because Oro Valley teamed pulled out but there was insufficient notice to field a team in time for Monday, April 4.

I will be meeting with the SRAPPL captains to discuss the future interest in participating in the league. Information will be provided at the next meeting or April 14.

Deadline for GVR fall pickleball classes is April 25. Current plans are to offer the same fall classes as last year. Scope and sequence of the classes combined with DS provides members with appropriate instruction.

Summer developing skills will start May 3, Tuesday 7:30-9 AM on 4 courts. Summer program will remain in effect until Oct 2022. Only 16 players will be allowed to sign up. 2.5 and non-members will be restricted from sign ups. I am still

working on who will be in charge of DS for the summer.

Hope to report something on DS shirts for coaches at the next meeting.

Player development for those who signed up PB 301 will start May 2, Monday 3-5 PM. These are 3.5 players . There would be approximately 16-20 players utilizing 4 courts. Plans are to incorporate skills and have 4.0 players play with and against them. Sessions would be May 2, 16, 23, 30.

Summer Player development for all skill levels would start the week of June 6. Skill level 3.5-4.0 on Mondays, 3.0-3.5 on Wednesdays and 2.5 -3.0 on Thursdays. Members would use Pickleballplus to sign up with only 16 per session utilizing 4 courts. This is not the ratings program but a summer program to improve overall performance. Marilyn Rambo and Joanie Davis have agreed to be the main instructors for the 2.5-3.0 group with my assistance.

### ***Pickleball.Plus & Scheduling - Dean Beilke, Chair***

Reverted to normal scheduling after the disruption of SASG 2022. There were some minor changes during the month. Upcoming during April will be schedule changes that will initiate the transition to the traditional summer court schedule. I have not heard anything to date regarding summer inter-community play. SASG 2022 went well with only minor disruptions. Plans are in the initial phases regarding hosting the GVR Foundation Games the second week of December. Working on adding E-Locks to both the equipment room and the planned education and training storage shed at the PC. March was a busy month tracking and managing the signups for the ratings review process. That will continue through April, resuming in October.

### ***Webmaster - Sam Schaen, Chair***

Continues to make routine updates to the website. Created a full backup of the site on 4/1/2022.

### ***Tournaments - Donna Davis, Chair***

By all accounts, the Southern Arizona Senior Games was a huge success. Over 100 members of our club participated in this tournament. For many it was their first taste of tournament play.

An event as big as this did not happen without the countless hours put in by the tournament committee consisting of:  
Gary Heintz – Facilities, equipment, parking

Dean Beilke – Information Technology

Deb McPartland – Communication

Ellen Brancazio, Katie Peterson, Becky Lupo – Volunteers

Julian DeLuccio - Vendors, food truck

Jan Johnson – Registrar

Paul May – Referee Coordinator

Our next tournament will be the Generous Wealth Advisors Foundation Games to be held at the KJB complex on Dec. 9-11. This will be a sanctioned tournament. Registration begins August 1. Please watch for emails with details about the tournament and the differences between sanctioned and non-sanctioned.
