The Generous Wealth Advisor's Pickleball Tournament held at the Kent J Blumenthal Pickleball Sports Complex was run on December 9-11. We were able to raise approximately \$26,000 for the GVR Foundation and the Greater Green Valley Community Foundation.

Both foundations are to be commended for the job that they did in assisting our tournament committee in hosting the tournament and for work that they did in securing sponsors, working with vendors, marketing, and many other behind the scenes efforts.

A huge thank you goes out to the members of the tournament committee:

-
- Gary Heintz Ellen Broncazio Paul May
 - Dean Beilke Becky Lupo Juliane DeLuccio
 - Jan Johnson Katie Peterson
 - Special recognition goes to Deb McPartland, who stepped in for me at the last minute, as tournament director, and did an outstanding job.

I do not know what the future of tournament play in our area will be. Of the 214 registered players 32 were from our club & 8 from Quail Creek. Given the number of players in each of these clubs and the fact that we could field only two TAPPLE teams seems to indicate that players in the Green Valley area are more interested in recreational play. I know that this tournament was sanctioned, and early December is before all the snowbirds return but Tubac and Saddlebrook both had 17 players participate.

Even for the non-sanctioned Southern Arizona Senior Games held in March of 2022, our participation was 52 of 258 players. Southern Arizona Senior Games: 2015 = 309, 2017 = 392, 2018 = 386, 2019 = 337, 2020 = 329, 2022 = 258.

Last year I indicated that this would be my last tournament as tournament director. If anyone is interested in running future tournaments, I will be more than happy to share my experiences and any other information they need with them.

Thank you to President Patrick Furumoto, past presidents, Gina Rowsam, and Jeff Harrell and the board for their support the past seven years.
