

**Parking Spaces Limitations at PBC**  
**Suggest Carpooling during Events**

There are 111 parking spaces at PBC Parking Lot and so we ask you to, if possible, Carpool to the Event.

Per Dean Barnes and his communication with Green Valley, Sargent Sealy, there is no reason we can't park on the side of the road if the parking lot is full. Vehicles must be entirely off the payment. If a private property owner calls the Sheriff's office and complains, officers will ask to have the cars removed from that property. If an officer, on their own, says we must remove cars, we are to ask the officer to please call Sargent Sealy and he will take care of it.

**There is NO parking in the driveway to the water tank.**

Please be cautious and respect volunteers handing the flow of traffic to/from the PBC Parking area.

Thank You!
